By Space Copenhagen, 2019

<b>Model</b>	1774 - Wood base
<b>About</b>	With its continuous curves and lush look, The Swoon Lounge Petit has a luxurious look, with a sculptured silhouette that appears elegant and relaxed. The same feeling is achieved once you sit down, supported by a singular shell that curves to form the seat, arms and back in one piece. The soft, contoured cushions add an extra element of comfort and dimension. A line extension from the Swoon Lounge, the Swoon Lounge Petit has a similar shape but it's somewhat smaller and more upright.
