

Swoon Lounge Petit Armchair

Designed By Space Copenhagen, 2019

Swoon is a modern lounge chair with a sculptured shape. Its organic curves allows for many seating postures, thus making it perfect for lobbies, receptions and break-out areas, where versatile use is in focus. Space Copenhagen designed the chair to fill the gap between traditional lounge chairs and larger easy chairs – the result is a less formal typology with a recognisable and contemporary character.

MODEL

1776 - Swivel base

MATERIALS

Fully upholstered lounge chair with aluminum swivel base. Inner shell in moulded high pressure polyurethane foam, reinforced with a steel frame. Removable seat and back cushion of low emission foam, with removable cover. Available in fabric or leather. Mounted with reversible plastic glides which can be changed to felt when reversed.
