Flamingo Chair

By Foersom & Hiort-Lorenzen, 2003

Model	3380 - Fixed base
About	Almost like a flamingo standing on its slender legs, the Flamingo Chair is at once aesthetic and poetic. The graceful curves of the seat with its symbolic "wings" for arms are poised above the steel frame and long, slim legs. While the back appears as if it's floating on top. It all culminates in an exquisite expression of fluid lines.
Product group	Chairs & stools
Measurements	W: 68 cm, D: 63 cm H: 80 cm, Sh: 45 cm
Weight	15 kg
Materials	Chair with shell in moulded cold cured foam reinforced with steel, fully upholstered in fabric or leather. Cover is non-removable. Base of stainless steel tube, mounted with plastic glides. Felt glides available.
