### Insula Table - Model 5190

By Ernst & Jensen, 2009

<b>Model</b>	5190 - Insula Table, Coffee table 72x76 cm
<b>About</b>	It's rare to find coffee tables that are asymmetrical yet balanced. Organic but still graphic. Such is the case with the Insula Table series by Ernst & Jensen. The slim, curved table top is supported by an angular frame, resulting in a truly distinctive design conceived in three sizes, which each attain a perfect sense of equilibrium. Almost like small islands, the tables have a floating feeling. Their striking silhouette makes them equally as beautiful as stand-alones or clustered together to form an archipelago.
