Insula Table - Model 5192

By Ernst & Jensen, 2009

Model	5192 - Insula Table, Coffee table 118x121 cm
About	It's rare to find coffee tables that are asymmetrical yet balanced. Organic but still graphic. Such is the case with the Insula Table series by Ernst & Jensen. The slim, curved table top is supported by an angular frame, resulting in a truly distinctive design conceived in three sizes, which each attain a perfect sense of equilibrium. Almost like small islands, the tables have a floating feeling. Their striking silhouette makes them equally as beautiful as stand-alones or clustered together to form an archipelago.
