EJ220 Elements

By Erik Jørgensen, 1970

Model 2037 - EJ220 Elements Module, Seat module 2 seater 67

About Given its slender lines and unadorned expression, EJ220 Elements is arguably a sofa concept for everyone. It's an evolution of the EJ220 Sofa with an extra seat in the corner and a sofa seat just perpendicular. One united entity in a corner sofa that's easy to look at and live with. The back cushions are tilted just a bit to make sitting back as comfortable as sitting upright.
