## Hector Sofa, 2 seater

By Anderssen & Voll, 2016

<b>Model</b>	4782 - Hector Sofa, 2 seater
<b>About</b>	Hector is a sofa that makes a statement without imposing its presence, where slim lines set the stage for soft cushions. Contrast plays a key role in the linear look, enhanced by piping all around, juxtaposed against the organic impression of the cushioned interior. By mixing or matching the fabric-upholstered shell with leather or fabric for the cushions, the result is a sofa you can truly personalise.
